LEVELS

This is a collection with a handcrafted appearance, inspired by the Mediterranean. Its 20x40 cm tiles stand out for the depth of their surface reliefs and their rich density of colour in areas where the glaze seems to have dripped down and concentrated. Available in a choice of six different colours–Bordeaux, Blue, Green, Sand, White and Grey–, the wall tiles each emulate six smaller mosaic tiles, with a matt background combined with a transparent glossy finish. Manufactured using **DEEP TECH** and **LAYER TECH** technology, Levels stands out for its depth, textures and surface finishes. The tiles can be laid either horizontally or vertically, infusing living spaces with a unique distinction.

De inspiración mediterránea gracias a su apariencia tradicional y con acabados artesanales, LEVELS nos presenta en un formato 20x40 cm una colección que destaca por la profundidad de sus relieves y su efecto de acumulación de color como si de un efecto de gravedad se tratase. Compuesta por 6 colores diferentes: Bordeaux, Blue, Green, Sand, White y Grey, esta colección de revestimiento está dividida en 6 teselas con un fondo mate combinado con un acabado brillante y vidriado. Producida con las tecnologías **DEEP TECH** y **LAYER TECH** nos ofrece una combinación de profundidades, texturas y acabados superficiales para generar espacios únicos gracias a su opción de colocación, tanto en vertical como en horizontal.
